

**AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

**LISTING OF CLAIMS:**

1-2. (canceled).

3. (original): A magnetic tape cartridge comprising;

an opening provided on one side wall of a cartridge case, and is used for tape drawing;

a slide door slidably supported by a guide part disposed along said one side wall, and said slide door is used for achieving the shutting-and-opening operation of said opening; and

a spring member for impelling said slide door to the shutting direction side, and is placed on said guide part;

end part in the opening direction side of said spring member is supported at the higher position than the shutting direction side.

4. (original): A magnetic tape cartridge according to claim 3, wherein said spring member impels said slide door through a hooking hole provided at the opening direction side of said slide door.

5. (original): A magnetic tape cartridge according to claim 3, said magnetic tape cartridge further comprising;

    a slider stop for stemming the shutting direction end of said slide door, and is provided at another side wall;

    said slide door is impelled by said spring member at the lower position in height than the top end of said slider stop.

6. (original): A magnetic tape cartridge according to claim 5, wherein said spring member impels said slide door through a hooking hole provided at the opening direction side of said slide door.

7-10. (canceled).
